Art Farnham Invitational – January 27, 2018

@MIT

Dear Coach,

MIT will be hosting two indoor invitationals this year for interested teams. Due to the over subscription to our meet in the past, we will be limiting entry to the meet so please let me know as soon as possible if you have interest. The meet will be short (4.5 hours), competitive and well run.

Of course, we will be running Finish Lynx and Identilynx and getting results up within minutes of the event. We plan on using the FieldLynx system as well to give you complete and immediate field event information.

We will have very limited space on the infield for coaches. Each team will receive up to two passes per team, per gender. Do not ask for more please.
